REVISED

R

Everyone needs space to reflect, revise and fall in love with life again and again.

We all want to revise our lives at a certain moment in time, take a new challenge on board. Keep the good things in life and add another layer of inspiration. The word "REVISED" is a different story for each of us. What we share is the human ability to review, reconsider, reflect and refresh. That is exactly what makes us feel wonderful and take charge of life.

Our aim with the new design label Revised is to create timeless atmospheres and emotions by exploring our most inspiring legacies with present day knowledge.

Revised's founders and creative directors Suzy & Casper Vissers and the first collection's exclusive designer Sjoerd Vroonland, committed three years ago to research, envision and realize this monumental challenge.

Now with our ever-growing all-star team of talents from across the design industry, we inspire each other on our mission to create unique pieces.

We strive to bring intense feelings of warmth, calmness and belonging into your home, your office, your present world. From furniture to lighting, from wall to floor decorations, through our designs we create atmospheres with a contemporary flavour, promoting a more serene and soulful way of living.

We have outlined our first collection which includes seaters, tables, storage items, lighting elements and accessories. The collection's style is modern, elegant and heart-warming. With gentle, organic shapes and details. Each piece is a celebration of pure, solid, high quality materials such as wood, marble, metal and glass. Their soft, gentle curves flow almost imperceptibly from a rich to a slender silhouette with sophisticated grace and exquisite accents.

> Yours truly, Suzy & Casper Vissers

BLACK AND WHITE PHOTOGRAPHY ART WORK: MERIT DE JONG

"FOR MY WORK "LAYERS" I USED BLACK AND WHITE PHOTOGRAPHS FROM THE FIRST HALF OF THE 20TH CENTURY, CREATING NEW IMAGES AS THE TRANS-PARENT LAYERS MELT TOGETHER. THE NUMBER OF LAYERS VARY FROM 2 TO 26. THE COLLECTION CONSISTS OF COM-BINED PORTRAITS WHEREBY IN SOME CASES THE DIFFERENT LAYERS OF MEN AND WOMEN FORM A NEW "BEING". I WANTED TO EXPLORE TIME, SPACE, THE INDIVIDUAL AND SOCIETY."

MERIT WAS BORN IN 1964 IN AMSTER-DAM. EVER SINCE HER CHILDHOOD SHE HAS HAD A PASSION FOR CREAT-ING AND AN INTEREST IN AND INTRIGUE FOR INNER AND OUTER WORLDS. MERIT GRADUATED IN 1992 FROM THE KABK THE HAGUE IN DRAWING, PAINTING AND ETCHING.

SINCE 2011 HER WORK CONSISTS PRE-DOMINANTLY OF DIGITAL COLLAGES AND SETTINGS.

"FOR ME MY WORK IS LIKE DAYDREAM-ING; A DISCOVERY, A JOURNEY INWARD AND TO THE UNKNOWN, PLAYFULLY DISCOVERING... FINDING, NOT BY CON-SCIOUSLY THINKING, BUT BY TAPPING INTO FEELINGS AND INTUITION"

A SURREAL, SOMETIMES GRIM BUT PO-ETIC AND SPIRITUAL WORLD EVOLVES... "I LOVE TO SEE HOW PEOPLE HAVE THEIR OWN INTERPRETATIONS AND AS-SOCIATIONS WITH MY WORK; IT'S LAY-ERED AND NOT CONCLUSIVE". ART DIRECTION: SUZY & CASPER VISSERS
