From Generations, For Generations.

Our aim with the design label Revised is to create timeless atmospheres and explore our most inspiring legacies with present day knowledge. Intense feelings of warmth, calmness, and belonging into your home, your office, your present world.

Designs, made on Dutch/Italian soil. Produced with advanced modern techniques. From the factory to you. Reducing a reduction in CO2 emissions. Sustainable and avoid the use of plastics. Need care and attention. We say that it will last for generations.

“Furniture is relevant”

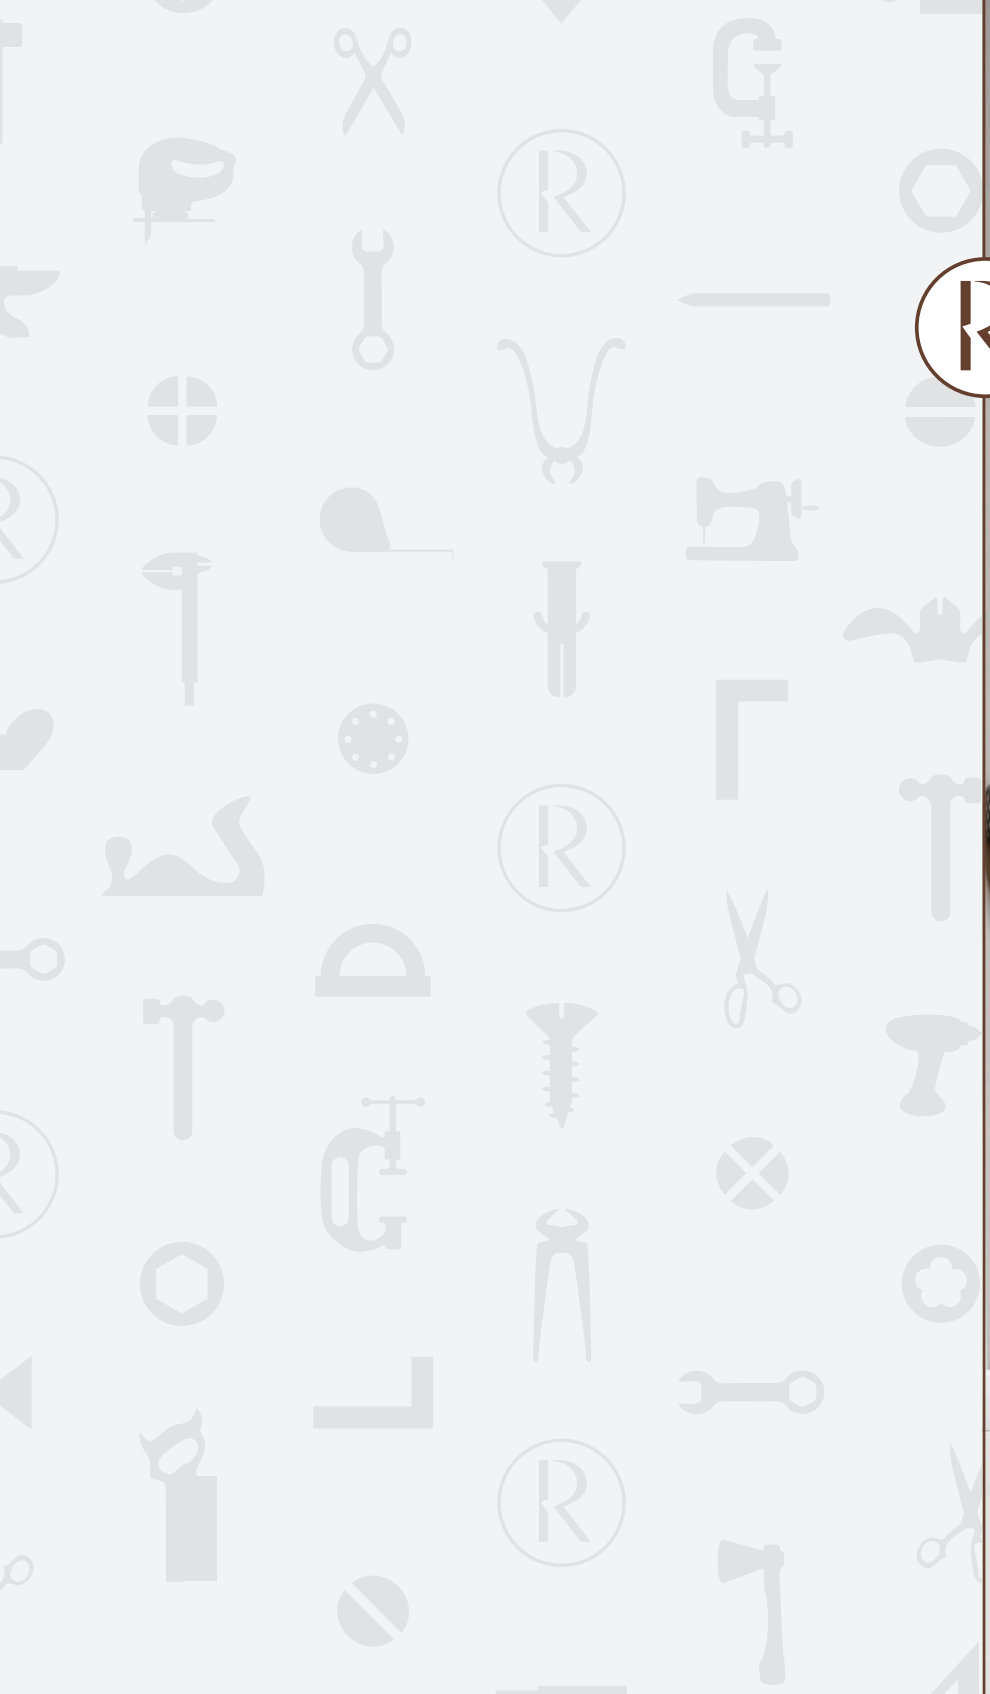

R

“ In order to build
big, we have to
think small ”

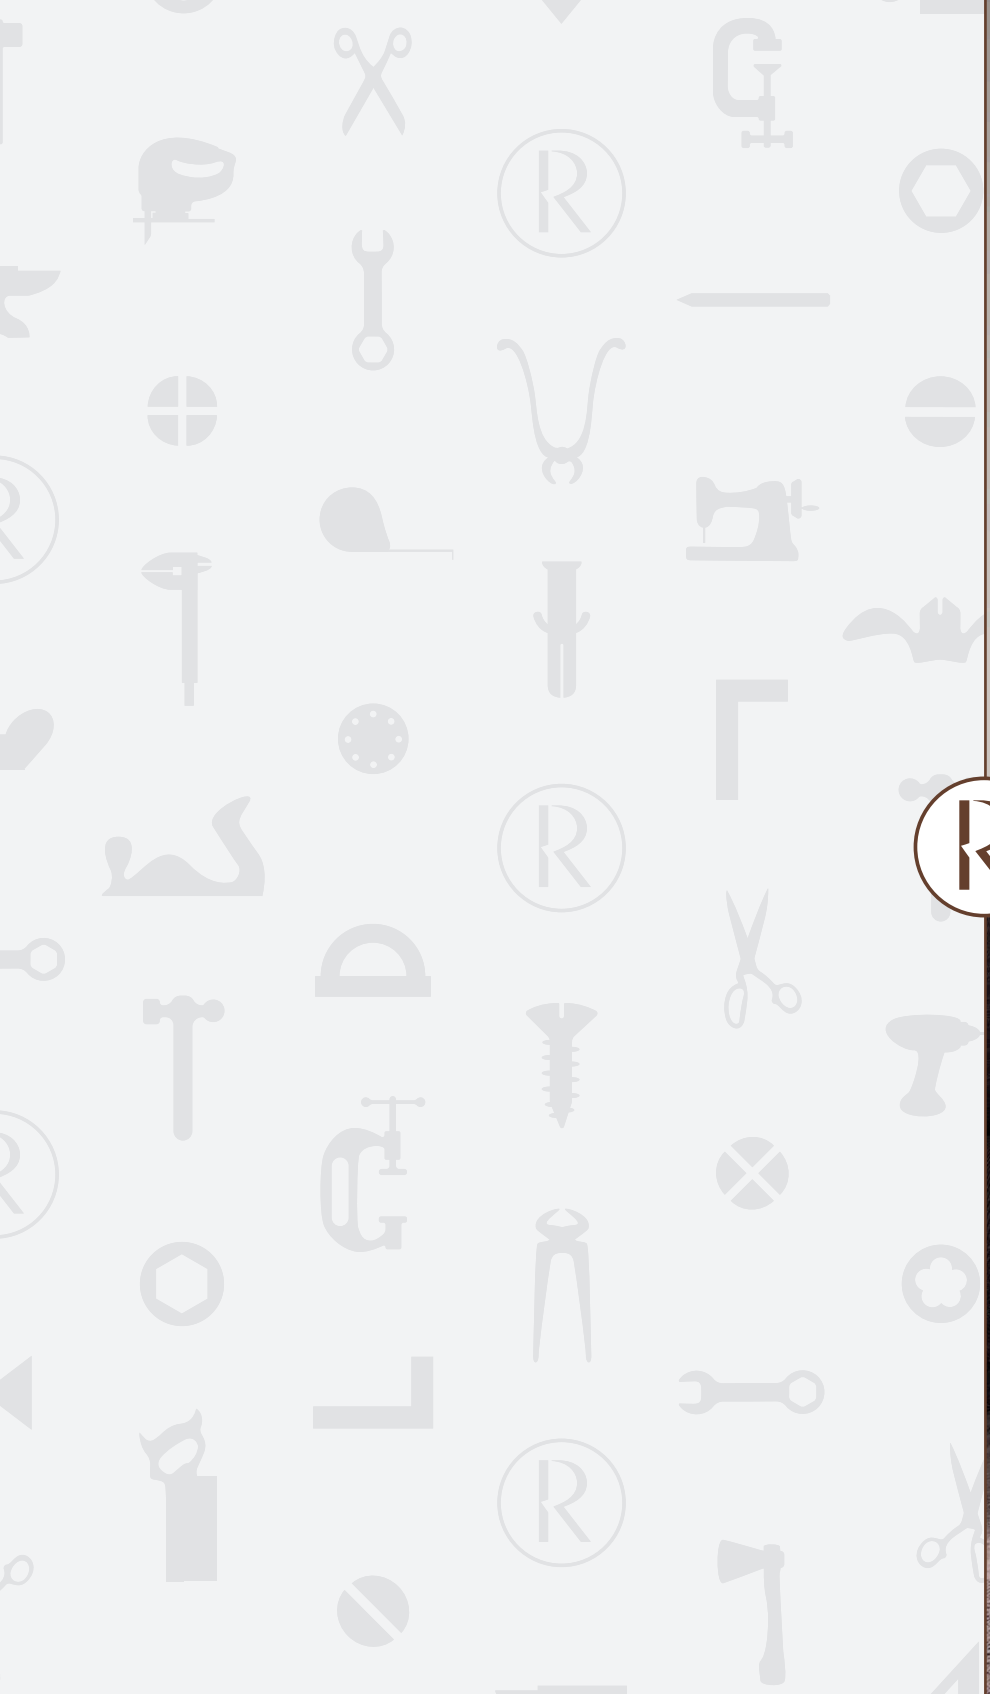

“ Silence is often
misinterpreted, but
never misquoted ”

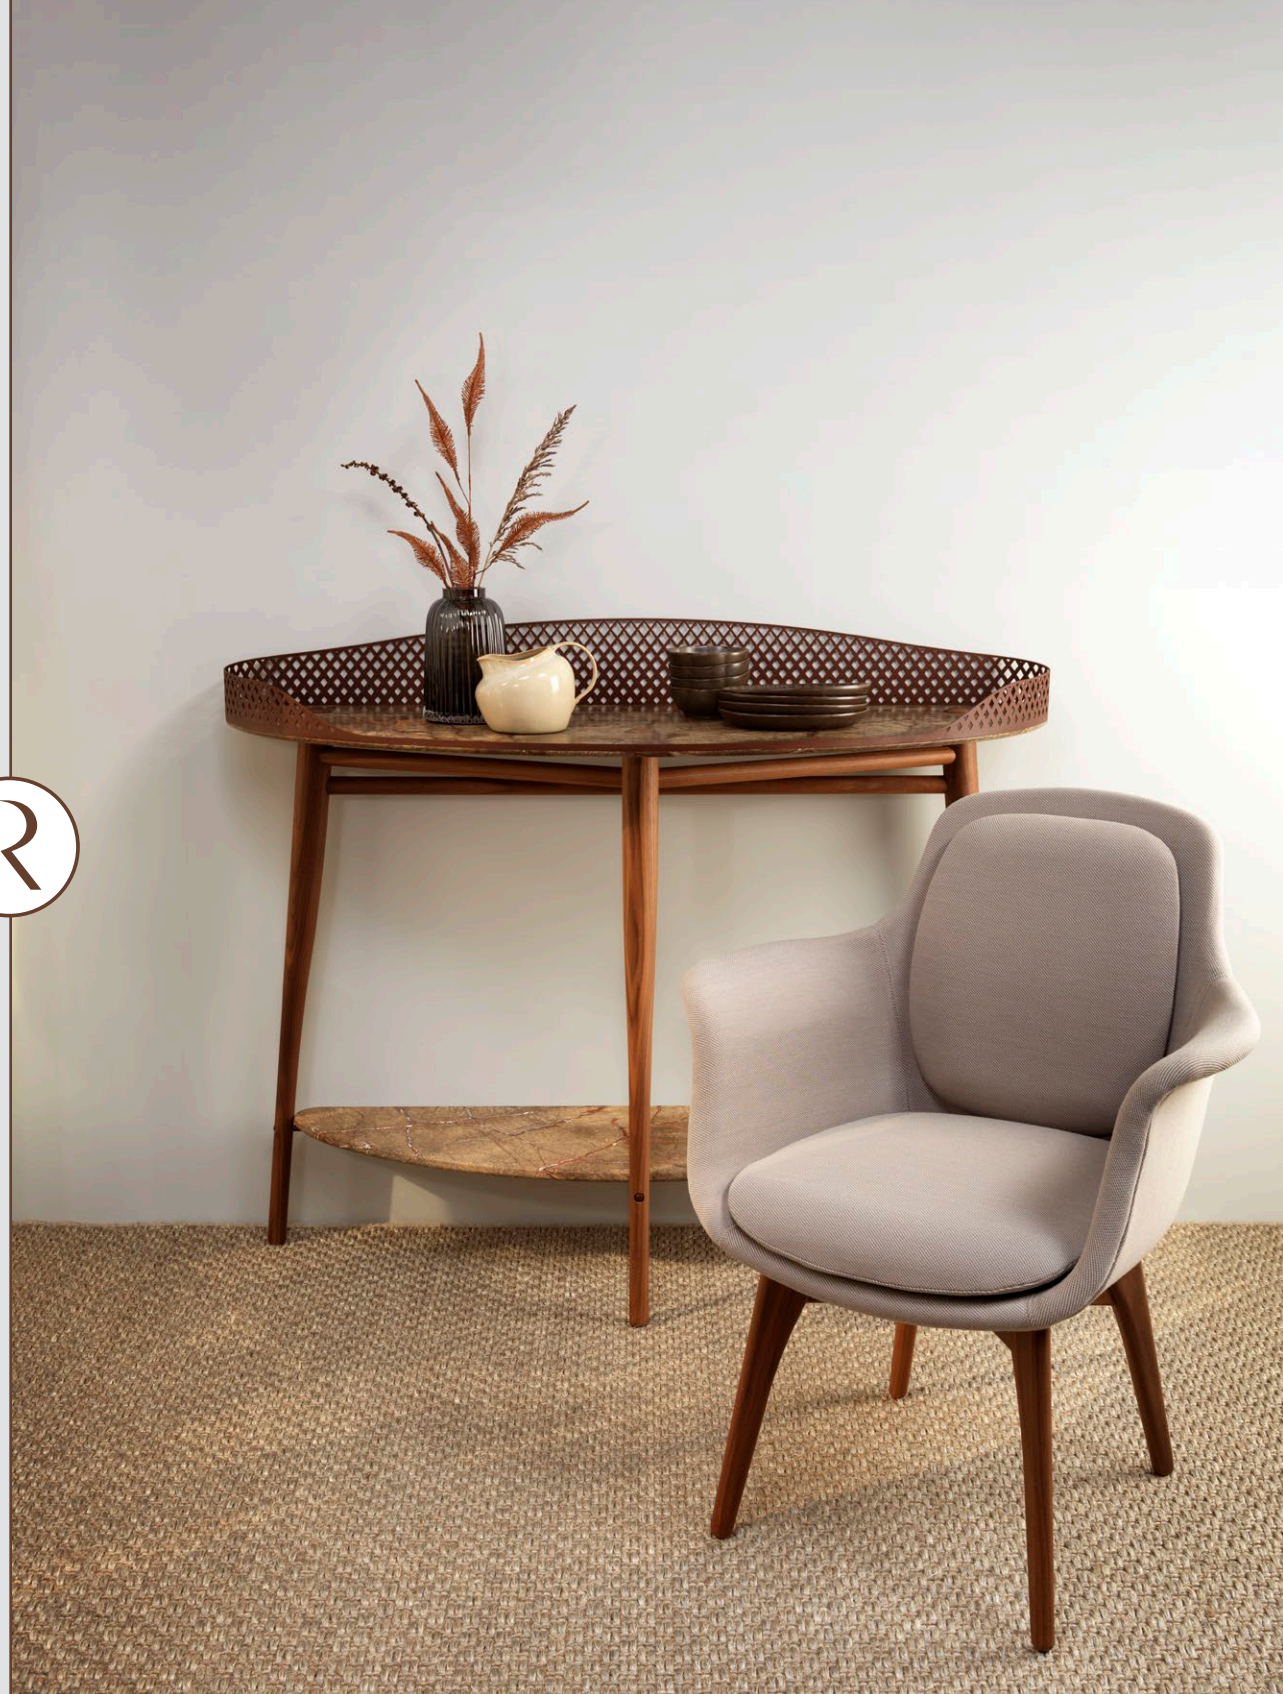

Revised proudly collaborates
with the lighting company
J.Adams & Co

“ You have to leave
home to understand
what home is ”

“The most important
things in your home are
the people”
